

Photographer Pirkle Jones dies at 95

Posted At : March 24, 2009 12:53 PM | Posted By : Melanie McWhorter
Related Categories: Melanie McWhorter, Obituaries

Pirkle Jones was assistant to (and collaborator with) Ansel Adams, who introduced him to those in the upper echelon of photography, including Edward Weston, Dorothea Lange and Minor White. Jones documented Berryessa Valley with Lange and the building of the Paul Masson Mountain Winery with Adams, but he is most known for his images of the Black Panthers. [The New York Times obituary](#) on the life of Pirkle Jones includes a [slideshow](#) few images from the Black Panthers and other projects.
